

Million-Cycle Confidence

Three tons, at least one MILLION lift and transfer cycles—that's pallet handling power! Bulldog-tough, our 90° chain transfer units handle the heaviest of loads time after time.

Take A Load
Off Your
Mind

We're the place to turn when you need rugged reliability, highest thru-put and 24/7 up-time. Contact us for pallet conveying solutions that really carry weight.

Serving industry since 1973.
